

5 Critical Things to Do Before a Networking Event Questions

1. Know who you are – Who are you? How would you describe yourself?

2. Know where you want to be ie who do you want to be?

3. Setup up a Goal. What is your Networking Goal? Make it a S.M.A.R.T. Goal (Specific Measureable Attainable Realistic Time-based)

4. Google Yourself (what comes up? Are there many hits associated with your name or very little? Do you like what Google says about you?)

5. Setup your online presence (Get your own domain name. To setup a website for free in 5 minutes go to either About.me or Flavors.me)
